Bruce James issued the following statement in reaction to the passing of former Nevada Governor Mike O'Callaghan:

"I saw Governor Mike O'Callaghan just a few months ago while I was in Las Vegas. He was sitting at his desk, doing what he loved, writing and talking about issues that touch the lives of so many Nevadans every day. I am deeply saddened that we have lost a man who was so dedicated to this country and to our state. He was a public servant and he demonstrated it throughout his life: First as a soldier, then as our Governor and right up until he was taken away from us, a journalist. I join other Nevadans today in mourning the loss of a great man. My thoughts are with his loved ones."
